Twice fanning Cushion, the Island P. Slugger, with men on second and third. The feature of the game was the pitching of Taylor and the fine all around play of Stevens. On Saturday the team went to Canaan and defeated the Coos and Essex Country Club by the score of 5 to 4. There was a heavy shower previous to the game which made the field heavy and slow. The Canaans got away with a two run lead in the first after Woodbury had flied to Bartlett, Marsh got a hit, Kezar struck out but when Rooney messed up Blais ground for all hands were safe. Phillips then singled to right bringing in both scores as Emerys throw got away from King, Island Pond evened up in their half, Rooney flied out but Bartlett singled, Giroux fanned but Goodman hit for two bases scoring Bartlett, Stevens took one of Boobers fast ones in the rib and strolled to first. Goodman scored and King was safe when Blais made a bad peg to first. No more scoring was done until the seventh, then Island Pond added one more. Danforth singled for a starter and Emery followed suit. Rooney advanced both with a neat sacrifice. Danforth scored when Boober dropped the ball trying to run him down on Bartlett's tap to the pitcher. Island Pond proceeded to sew the game up in the ninth, after Rooney and Bartlett had been disposed of. Taylor got a life when Woodbury dropped a low throw from Marsh. Cushion ran for Taylor and scored when Goodman doubled to center, his third hit of the game. Stevens then singled sharply over second, Goodman scoring what proved to be the winning run. In the sixth inning Taylor took the

Barton to Celebrate 125th Anniversary July 1-4

The outstanding feature of the 125th anniversary celebration at Barton, July 1-4, will be a great out-door pageant staged near the outlet of "May" brook into Crystal lake.

From early realistic Indian scenes to the final patriotic World war scene the final point in Barton's history will be depicted with a local cast of 300 people in 10 episodes and dance interludes the event costing more than \$3000 to produce. Col. Barton, Gen. Lafayette, the smugglers of 1812 the Civil War Heroes, the merry-makers of the old time husk ing bee and the G. A. R. as they pass the old flag to the American Legion, all will take their place in turn upon the woodland stage, each group and character clothed in special costumes of the period they represent.

Because Barton possesses a municipal electric plant it has been possible to obtain the illuminating specialist of the General Electric Company to do the evening lighting. Fountains, fire, smoke torches and changing rainbow hues upon the dancers will be special features, while the historic scenes will be lighted by immense floods such as were used at the Panama exposition. Nothing of the like magnitude has ever been attempted in this part of the state and all the latest that science has produced will be combined to make this lighting a thing of exquisite beauty.

The pageant is written and produced by Miss Imogene Phipps Hogle of Boston, with Miss Madeline Randall of St. Johnsbury directing the dancing and Mr. Cogan of the General Electric company as lighting manager.

The pageant will be staged Friday, Saturday and Monday nights, July 1, 2 and 4 at 8 o'clock and Monday afternoon at 4 o'clock.

Besides the pageant there will be a full program Saturday and Monday. On Saturday there will be airplane exhibits and passenger carrying by the Burke, Jones, Salisbury Aero Corporation of Randolph, the only Vermont flying organization. They will fly to Barton in a new \$7500 exhibition plane. There will be band concerts, baseball, parades and other features. The program on Monday, the Fourth, consists of baseball at 10 o'clock, concerts, parades, pageant presentations etc.
